5. This office letter No. RSR-III-Dairy-61/78-79 dated 1-8-1978 to the Milk Procurement and Distribution Officer of the Directorate of Animal Husbandry and Veterinary Services, Panaji.

The Anjuna Sah. Dudh Vy. Saunsth Ltd., Anjuna-Bardez is registered on 2-6-1971 under code symbol No. PRD-(c)-89/Goa. It is classified as a Producers Society sub-classification (C) Agricultural Producers society and it is a primary dairy co-op. society. The main object of the society is to encourage dairy farming amongst the agric. members as a subsidiary occupation for enabling them to improve their economic conditions. The society was granted financial assistance by Government by way of share capital contribution and equipment subsidy. It also availed Government loan of Rs. 42,000/- in 1971-72 for extending the loan to the eligible members for purchase of milch buffaloes. The loan was disbursed to 29 members. The society collected milk in 1971-72, 1972-73 and in 1973-74 and sold to the Government Milk Scheme. The milk collection and sale business in 1972-73 and 1973-74 was very meagre. The society sustained continuous loss since 1972-73. From 1974-75 it has not been carrying out the activity of purchase of milk from the members and sale to Government Milk Scheme. The society has ceased functioning. The General Body in its meeting held on 18-12-1976 vide R. No. 7 resolved for requesting the Registrar of Co-operative Societies to take the society into liquidation since the members have no interest in its working. The Milk Procurement and Distribution Officer inspite of repeated request made vide letters cited at Sr. No. 3, 4 and 5 above has not taken any action on the resolution of the society.

In view of the aforesaid circumstances and since the society has ceased working I am of the opinion that no useful purpose will be served by its continuance and it is felt that the same should be wound up. Therefore I pass the following order:—

Order

In exercise of the powers vested in me under Section 102(1)(b) and (c)(ii) of the Maharashtra Co-op. Societies Act, 1960 as applied to the Union Territory of Goa, Daman and Diu on my own motion, I, S. V. Bhadri, Assistant Registrar of Co-op. Societies, Goa, Daman and Diu, hereby direct and order that the Anjuna Sah. Dudh Vy. Saunsth Ltd., Anjuna-Bardez registered under No. PRD-(c)-89/Goa dated 2-6-1971 be wound up.

Further in exercise of the powers vested in me under Section 103(1) of the aforesaid Act read with Rule 86 of the Co-op. Societies Rules, 1962 I hereby appoint Shri R. V. Pai Khot, E.O. (Coop/V.P.), Bardez as the Liquidator of the said society.

S. V. Bhadri, Asstt. Registrar of Coop. Societies, Goa, Daman and Diu.

No. RCS/AR(III)/Sanguem/7/78

- Read: 1) The bye-laws of the Sancordem V. K. S. S. Society Ltd., Sancordem, Sanguem, Goa.
- 2) Audit Report of the Sancordem V. K. S. S. Society Ltd., for the year 1976-77.
- 3) Report of the study Team set up by the Reserve Bank of India.
- 4) This office interim order No. RCS/AR(III)/Sanguem/7/78 dated 29-7-1978.

The Sancordem V. K. S. S. Society Ltd., Sancordem, Sanguem, was registered on 29-8-1963 under code symbol No. RES-(c)-62/Goa with the main object of fulfilling agricultural requirements of the agriculturist members of the society, such as distribution of credit fertilisers, improved seeds, equipments, etc. However, it has been observed that the society has stopped fulfilling its objectives since the last two years and is stagnant at present. Further as per its audit report for the year 1975-76 and 1976-77 the society has sustained losses continuously for the last few years and its accumulated losses as on 30-6-1977 are to the extent of Rs. 7855-77 which has wiped away 100% of its members share capital.

2. In the circumstances in order to stop further drainage of funds an interim order as at Sl. No. 4 above for taking the society into liquidation and calling upon the society to submit its explanations within one month in terms of Section 102(1) of the Act, was issued by this office. The society has submitted its explanations vide letter dated 14-8-1978 and has raised objections to taking the society into liquidation as proposed by this office. It has been contended by the society that it has sustained the accumulated losses on account of many reasons during the past and the present management has been making efforts to improve the position. It is further stated that after transfer of the shares and loaning at present undertaken by the Sanjivani Bagayatdar Sahakari Society Ltd., to their society, it will be able to distribute sugarcane loan to the extent of Rs. 3,24,000/- apart from the crop loan of Rs. 50,000/- in its area of operation and thus revive the working of the society.

3. However, the explanations of the society as above are not tenable in as much as the efforts made by the management as contended have proved futile since the society has sustained net losses continuously during the years 1975-76 and 1976-77 to the extent of Rs. 4197-74 and Rs. 2813-28 respectively. Further, as per the audited Balance Sheet as on 30-6-77 of the society its unavailed borrowing capacity is only to the extent of Rs. 20,220/- and thus the proposal to undertake loaning of about Rs. 4.00 lakhs will not be feasible in absence of sufficient borrowing capacity to raise the requisite amount of loan from the financing agency. Thus in case the present state of affairs is allowed to be continued the agriculturist members in the area of operation will not be in a position to avail the agricultural credit and other agricultural requisites from the said society.

4. In the light of the above the Chairman of the Society was called to this office on 2-9-1978 and he was explained in detail the aforesaid position. He was also assured that the area covered by the society will be brought under the area of operation of a neighbouring agricultural credit Society so as not to deprive the agriculturist members of that area of the benefits of such a society. The Chairman was convinced of the position as explained to him during the discussion.

Order

In view of the above I am satisfied that the society ought to be wound up in the interest of the members of the society in particular and the public in general. Hence I, D. V. Sathe, Asstt. Registrar of Coop. Societies, Panaji, confirm the order cited at Sl. No. 4 above in terms of Section 102(2) of the Maharashtra Coop. Societies Act, 1960 as applied to the Union Territory of Goa, Daman and Diu.

Further, in virtue of the powers vested in me under Section 103(1) of the said Act read with Rule 86 of the Coop. Societies Rules, 1962, I hereby appoint Shri S. R. G. Desai, E. O. (Coop-cum-VP) Sanguem as liquidator of the said society.

D. V. Sathe, Asstt. Registrar of Coop. Societies (III), Goa, Daman and Diu.

The society has ceased working since 1968-69. The General Body in its meeting held on 29-1-1977 vide resolution No. 5 has resolved to request the Registrar of Co-operative Societies to take the society into liquidation since no members have any interest in the working of the society and the said decision was forwarded by the Chairman of the society to this office under letter dated 1-2-1977 cited at Sr. No. 2 above. The Government of Goa, Daman and Diu, by order No. LC/1/ID/(152)/73-IT-31/73-74/325 dated 8th March, 1974 referred the dispute between the workman Shri Bhanudas Bondre, hereinafter referred to as the workman, and his employer M/s. Chowgule Costi Mines Staff Consumers Co-operative Society Ltd., Kalay Goa, hereinafter referred to as the employer, for a decision by this Tribunal. The order of reference contains the following schedule.

SCHEDULE

"Whether the action of the management of Chowgule Costi Mines Staff Consumers Co-operative Society Ltd., Costi Mines, Kalay, Goa in terminating the services of Shri Bhanudas Bondre, the workman, with effect from 17-10-73, is legal and justified?"

If not, to what relief the workman is entitled to?

On notice being served, the workman filed his claim contending inter alia that he had put in ten years of service with the employer as a salesman, his last salary being Rs. 155/- per month; without any show cause notice, charge sheet or inquiry, he was verbally asked to discontinue work with effect from 16th October, 1973; no notice pay was also given; the termination of the workman was therefore mala-fide, illegal, null and void and in violation of principles of natural justice; and that therefore the employer be directed to reinstate him with full back wages and continuity of service.

By a written statement the employer contended, inter alia that the workman had not made any demand for reinstatement with full back wages with the employer, but had only asked for reasons in writing for termination of service; the employer informed the workman to attend the Managing Committee's meeting of the employer where the matter would be clarified to him, but however the workman refused to accept such letter and did not attend the meeting also; that being so, there was no dispute and the reference was bad in law; the behaviour of the workman was of doubtful integrity which damaged the interest of the society materially; the managing committee decided on 16th October, 1973 to terminate his services with effect from end of that day after paying him one month's notice pay; the workman refused to accept the notice pay; and that, therefore, there was nothing illegal or mala-fide in the termination.

By the reply to the written statement, it was contended on behalf of the workman that demand for reinstatement with

back wages was raised time and again with the Society and when there was no response, the matter was taken to the Labour Commissioner and Conciliation Officer before whom there was no contention that there had been no dispute between the employee and the employer; It was denied that there was any refusal on the part of the workman to accept any letter asking him to attend the managing committee's meeting of the employer; and that there had never been a show cause notice or inquiry against the conduct of the workman and therefore the contention that the workman's behaviour was suspect could not be true.

Subsequently the employer filed a detailed written statement as the first one had concentrated on the technical and preliminary objection to the validity of the reference and existence of the dispute. After taking quite some time the workman's representative was able to file his reply to the various contentions raised in the second written statement of the employer. It should be stated that the second written statement and the reply thereto were filed after the following issues had been settled in the case in addition to the point covered by the schedule.

ISSUES

1. Whether there is an industrial dispute between the Management of Chowgule Costi Mines Staff Consumers' Co-operative Society Limited and their workman?
If not whether the reference stands?
2. Was the behaviour of Mr. Bondre as a salesman-cum-packer in the Society of doubtful integrity?
3. In view of the above, is the Management justified in terminating the services of Mr. Bondre?

Thereafter as the case got fixed for hearing and evidence, the parties went on informing the Tribunal that they were trying to negotiate a settlement. The case was adjourned on a number of occasions, until finally to-day i.e. on 31-8-78 the parties filed a memo with the terms annexed.

Under the terms the workman was deemed to have been retrenched with effect from 17-10-73 and further he was to get all the legal dues, notice pay and retrenchment compensation for the past services of 10 years. The amount of clearance has also been worked out to a total of Rs. 1182-50.

In view of the terms of settlement, which both the parties have found satisfactory and the workman gets a status of a retrenched workman instead of being a dismissed workman. The settlement is therefore considered to be fair and proper and accepted. The award is being made in terms of it.

AWARD

This award is passed in terms of the settlement dated 30-3-78 a copy of which shall be annexed to and form part of this award.

By No. IRM/CON/(201)/75/(IT-18)/76/1515 dated 1st October, 1976, the Government of Goa, Daman and Diu

referred the dispute between the workman Shri Shripad Raya Kavlekar, hereinafter referred to as the workman and the management of the employer M/s. Tulsidas S. Lotlikar, Mapusa, Bardez-Goa, hereinafter referred to as the employer, The reference has the following schedule:

SCHEDULE

"Whether the action of the Management of M/s. Tulsidas S. Lotlikar, Mapusa, Goa, in terminating the services of Shri Shripad Raya Kavlekar, with effect from 13th September, 1975, was legal and justified;

If not, to what relief the workman is entitled to?"

On behalf of the workman, it was contended in the claim statement that on 13th September, 1975, the workman was discharged from services and as there was no response from the employer for a demand for reinstatement and back wages the matter was taken up in conciliation which also failed. Thereafter, this reference was made for the dispute being adjudicated; the salary of the workman had been Rs. 350/- per month and when he was terminated no written notice was given to him; the termination was without any reason and hence the employer be ordered to reinstate the workman with full back wages and continuity of service.

The employer filed his written statement contending inter-alia, that the union who sought to represent the workman had no legal standi to represent him; that the employer owned two vehicles on one of which the workman had been employed on a salary of Rs. 325/- per month with effect from 1st January, 1975, on a purely temporary basis; the workmen worked up to 5th September, 1975 and on 6th September, 1975 after collecting his salary for the month of August, 1975 abandoned the service of the employer without notice or any intimation; that this happened during the Ganesh Chaturti festival of 1975; as the workman himself had abandoned his service, it is untrue to say that he was discharged from the service with effect from 13th September, 1975; after abandoning the service of the employer, the workman joined the service of one Narayan Vengurlekar of Mapusa, Bardez on his truck No. GDT 7696; and in view of these circumstances, the workman is not entitled to get any of the reliefs claimed.

When the case was taken up to-day, the workmen was not present. He was not present on the previous date also. The employer was present and his statement was recorded. He has stated that the workman himself abandoned the service and did not report for duty after the Ganesh Chaturti festival days of 1975. He produced eight vouchers all signed by the workman on revenue stamps to show the payment of salary to the workman at the rate of Rs. 325/- per month. He also stated that with effect from 1st October, 1975 the workman began to work for Narayan S. Vengurlekar who has recorded this fact in the form of certificate of service pertaining to the workman. The certificate has been marked exh. M1.

There is no other evidence before the Tribunal. Had it not been a case of abandonment of service, the workman would not have joined so quickly the service of another vehicle owner, whom as per Exh. M1, he served for 11 months continuously (see exh. M1). It is therefore, held that the workman, having abandoned the service, is not entitled to any relief as claimed by him. The following award is passed.

AWARD

The workman is held not entitled to the reliefs claimed by him and is held to have abandoned the service voluntarily.
